

## Welding adapter for process sensors

ADAPT G1/2-WELD SLEEVE 3A

1 Leakage port

CRN EC 1935/2004 EHEDG Certified FCM CN FCM JP FDA

## Application

|                                                |                                     |       |
|------------------------------------------------|-------------------------------------|-------|
| Design                                         | for tanks, with leakage port (3A)   |       |
| Pressure rating                                | 50 bar                              | 5 MPa |
| Note on pressure rating                        | for the connection sensor - adapter |       |
| MAWP (for applications according to CRN) [bar] | 50                                  |       |

## Tests / approvals

|                              |                                                                                                               |
|------------------------------|---------------------------------------------------------------------------------------------------------------|
| Pressure equipment directive | A possible classification to PED depends on the application and has to be carried out by the user / operator. |
| Safety instructions          | The compatibility between medium and product material has to be checked in all applications.                  |

## Mechanical data

|                                                   |                                 |
|---------------------------------------------------|---------------------------------|
| Weight [g]                                        | 166                             |
| Materials (wetted parts)                          | stainless steel (1.4435 / 316L) |
| Sensor connection                                 | G 1/2 sealing cone              |
| Process connection                                | Welding adapter Ø 30 mm         |
| Surface characteristics Ra/Rz of the wetted parts | Ra < 0.4 µm / Rz = 4 µm         |

## Remarks

|               |        |
|---------------|--------|
| Pack quantity | 1 pcs. |
